# Message from Patron

It is a matter of great pride and satisfaction for Greater Noida Institute of Technology to bring out its Newsletter “GN Times”. I am confident that this issue will send a positive signal to the staff, students and the aspirants who are interested in the professional program at Greater Noida Institute of Technology campus. A newsletter is like a mirror which reflects the clear picture of all sorts of activities undertaken by various Departments and develops writing skills among students in particular and teaching faculty in general. I congratulate the GN Times Team who have played wonderful role in accomplishing this task. With Best Wishes.

# Resume Writing from IIM Ahmedabad

December 06' 2022

The Placement cell organized a seminar to prepare students for the Upcoming Placement. The Seminar topic was "Make your resume - the IIM Ahmedabad way". The seminar started with light lamping. The seminar was attended by 90 students for Btech. The students learned new things about Resume making. Eminent speakers, Mr. Rohan Aggarwal and Atul Kumar gave a brief knowledge about resume writing. The speakers taught students why resumes are the most essential part of the placement. What are the key points they should keep in their mind while they are making a resume? They told to the students how their resumes will be selected. What tools and technologies can be used to improve their resumes? Mr. Rohan and Mr. Atul interacted with the students. They asked about the student's thoughts. The collective words of wisdom by the eminent speakers would go a long way in craving an enlightened future for our students. Mrs. Krishna Priya proposed a vote of thanks to the chairman sir Shri B.I Gupta. Chief guest Dr. Pankaj Kumar, and the speakers for such an enriching and enlightening session.

# Seminar on AI, ML & Data Science

December 08 2022

The Placement cell hosted a seminar for the BTECH students with the confederation of "THERE FOR YOU COMPANY" Company Director Mr. Sayed Arbuzal Huda and his entire team was there. The Seminar topic was AI, ML & Data Science. The company's trainer Mr. Naved Alam briefed on the Importance of AI and what is the scope of the technology in the future

## TECHINERTIA

May 02 2023

On 2 May 2023 Tech Fest " TECHINERTIA "was organized at the Greater Noida Institute of Technology. Chairman Sir Bishan Lal Gupta Ji inaugurated the Tech Fest. Fest started with the light lamping ceremony and Ribbon cutting. Member management Mrs. Sakshi Gupta, Dr. Parvinder Bangad, convener Director, Dean Dr. Pawan Mishra, Dr. Sandeep Sharma, and all the directors and Hod were there. Dr. Parvinder Bangad Director honoured Chairman Shri Bishan Lal Gupta. Chairman Sir encouraged the students with their motivational speech. Member management Mrs. Sakshi Gupta cut the Ribbon and started the fest. The fest was executed with a total of 10 events, Hackathon, Hellfire, smash and the Code, chess, sudoku, Tech talk idea Spark, and many more. Focusing on the types of games to include in the fest was decided by fest coordinators keeping the interest and need of the engineering student into consideration. Students Participated with full enthusiasm. Overwhelming responses from the students. At the end of the event, Member Management Mrs. Sakshi Gupta cheer up the students with their impetus words. She said to the students that these types should happen every year. Prizes were distributed to the winners' students. End of the fest vote of thanks was given by the Mrs Indu

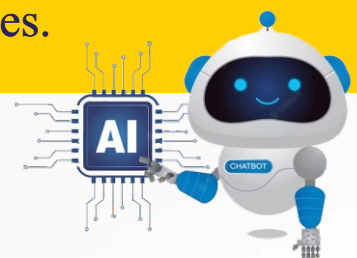

# CETPA- ARTIFICIAL INTELLIGENCE

May 26 2023

On 26th May Greater Noida Institute of Technology organized a seminar on the topic of the Digital Economy From Artificial intelligence to smart mobility by association with CETPA Seminar was inaugurated by Chairman Shri B.L Gupta ji. In his speech, he motivated the students and Told them about what is G20. He encouraged the students to learn new technologies and make proud India Globally. Expert Mr. Manoj Jhangra heightened why AI is important. He emphasized that AI plays a crucial role in the digital economy by driving automation and improving efficiency, AI and smart mobility are essential components of the digital economy. AI revolutionizes industries by automating processes, analyzing data, and enabling personalized experiences. It plays a critical role in optimizing transportation through autonomous vehicles, traffic management, and predictive maintenance. Smart mobility integrates technology into transportation systems, improving efficiency, reducing congestion, and enhancing safety. The combination of AI and smart mobility creates transformative possibilities, such as autonomous vehicles and predictive analytics for logistics. They intersect in areas like data analysis, personalized recommendations, and predictive maintenance. Embracing these technologies is crucial for economic growth, innovation, and sustainable and intelligent cities.

# CARVAAN(Fresher cum farewell event)

June 13 2023

The college organized a fresher cum farewell event titled "Carvaan" filled with excitement and emotions. The event commenced with Ms. Mousumi Das Gupta enlightening speech, followed by the honorable Chairman, Shri B.L. Gupta Ji, lighting the lamp and delivering a motivating speech. The management and college's managing team were appreciated for making the event possible.

Various key figures were acknowledged, including, Director GNITCM Dr . Pankaj, Director Pharmacy Dr. Mukul Director, Dr. Anil Kumar Sharma GNCL, Dr. Parvinder Director GNC, HOD Tannu Vats, Placement Cell Head Ms. KrishnaPriya , and Event Coordinator Ms. Indu.

The event began with a mesmerizing Bollywood banger dance performance by the first-year girls, followed by a tribute to the departing fourth-year students who will embark on new journeys outside the college walls. Their future endeavors were wished well, emphasizing that the college will always remain their family.

A senior student shared their experiences and motivated everyone present. The entertainment continued with a hilarious comedy skit based on the movie Sholay, which enthralled the audience. A couple's dance performance followed, igniting the auditorium with loud cheers and vibrant energy. The much-anticipated fresher's ramp walk showcased exceptional talent and skill. The freshers performed remarkably, exhibiting their abilities in dance, singing, and more. An open talent round featured a sensational rap performance by senior Harsh from the fourth year. The judges then conducted a Q&A round, where the chairman asked questions to the freshers. The results were announced based on their performances.

Ayush Raj Singh, the rap sensation of the college, earned the title of Mr. Fresher, impressing the judges with his original content and graceful delivery. Munesh Yadav, who delivered an outstanding Haryanvi dance performance, secured the title of Ms. Fresher.

As the graduating class of 2023 prepared for their final ramp walk, the college experienced an emotional moment. They enjoyed their last walk on the college stage. Ashutosh, with his impressive looks and style, was chosen as Mr. Farewell, while Perna, radiating beauty, outshined everyone as Ms. Farewell.

After a sumptuous lunch buffet, the DJ dance floor set the stage for energetic dancing. The day concluded with joyful moments as teachers and students danced together on Dhol. Smiles and tears marked the end of the event, signifying the separation from friends and the college. The memories of this day will be cherished, leaving a lasting impression on everyone's hearts.

# INTERVIEW PREPARATION

## for Job Aspirants

September 13' 2023

On September 13th, the Greater Noida Institute of Technology's Placement Cell organized an Interactive Job Fair session in association with CADD Center. The Vice President of CADD Centre, Mr. Anant Ram BR, served as the keynote speaker for the event. The session emphasized that job fairs are effective platforms for job prospects, networking, and active interviews. During this career fair, there were several key takeaways to increase your chances of success in various fields like software development, data analysis, artificial intelligence, and more: Learning is directly proportional to earning, meaning that the more you learn, the more you can potentially earn. It's important to address the common question asked in interviews for freshers: "What's your experience?" Instead of being deterred by your lack of formal experience, you can emphasize the knowledge and skills you've acquired over the years, such as programming experience gained during the last two years. Language should not be a barrier or excuse in pursuing job opportunities. The example of the "100rs Opportunity" highlighted that opportunities may be available, but you must be proactive in seizing them. Don't let awkwardness or nervousness prevent you from taking advantage of opportunities when they arise. Overall, the purpose of this job fair session was to empower students and professionals with the understanding of effective job searching and its significance in their careers.

# WORKSHOP

## for Data Structure and Alogrithm

September 14 2023

On the 14th of September 2023, the Greater Noida Institute of Technology's Placement Cell organized an insightful workshop titled "Roadmap To Data Structures and Algorithms" in collaboration with Coding Block Company. The keynote speaker for this workshop was none other than Mr. Mayank Jha, a renowned competitive programmer. The event commenced with a felicitation ceremony where Dr. Parvinder Bangad, the Director of GNIT, honored Mr. Mayank Jha as the guest speaker. This was a significant recognition of Mr. Jha's expertise in the field of competitive programming. Heading the event, Ms. Krishna Priya, the Training and Placement Head, and Mr. Ajay, the Marketing Head, played pivotal roles in ensuring its success. The workshop itself was a comprehensive initiative tailored for competitive coders. Mr. Mayank Jha shared invaluable insights into Data Structures and Algorithms (DSA), which form the backbone of competitive coding. He delved into various DSA concepts, algorithms, and problem-solving techniques, equipping participants with the knowledge and skills necessary to excel in competitive programming contests. Beyond DSA, Mr. Mayank also addressed topics related to placements, providing guidance on technical interview preparation, resume building, and the development of essential soft skills. This multifaceted approach aimed to empower participants to increase their chances of securing rewarding job opportunities within the tech industry. Furthermore, the workshop didn't stop at traditional topics. .

It ventured into emerging fields like Artificial Intelligence (AI) and Machine Learning (ML), shedding light on their significance and potential career prospects. This forward-thinking approach allowed attendees to explore exciting new domains within the world of technology. In summary, the "Roadmap To Data Structures and Algorithms" workshop, conducted by the Greater Noida Institute of Technology Placement Cell in collaboration with Coding Block Company, offered a holistic experience for competitive coders. It provided them with a strong foundation in DSA, equipped them with placement-related skills, and introduced them to cutting-edge areas like AI and ML. This event was a testament to GNIT's commitment to fostering well-rounded and competitive individuals in the tech industry

## COKE STUDIO EVENT

September 14 2023

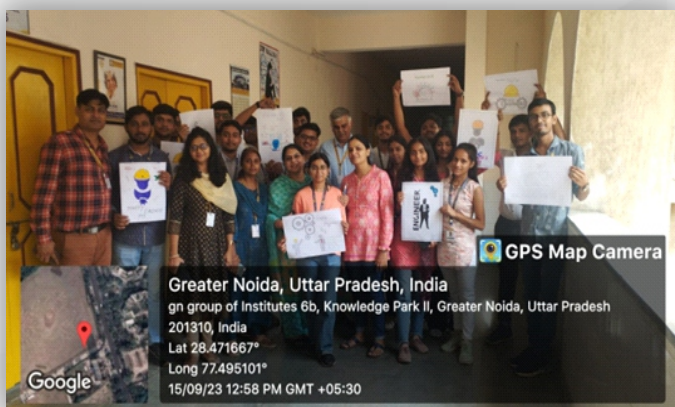

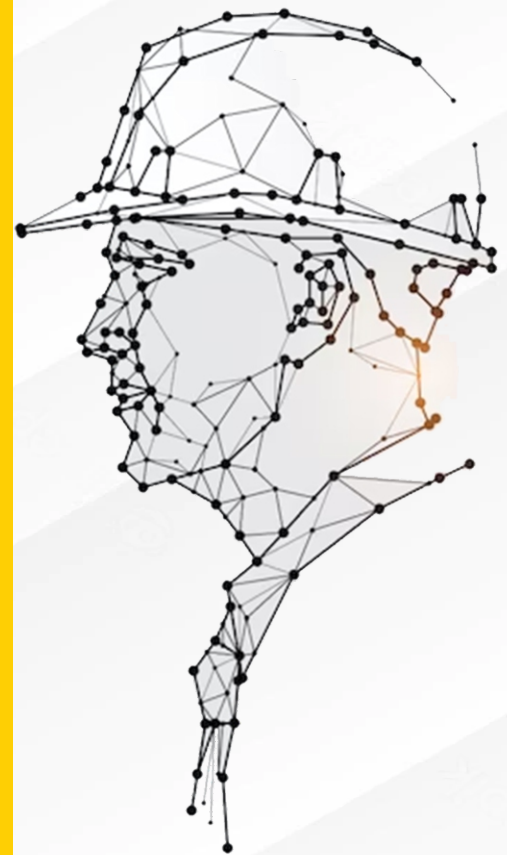

The Coke Studio Bharat event was a grand spectacle that unfolded at the sprawling campus of the GN Group of Institutes in Greater Noida. The event was a true celebration of talent and unity, as students from various branches came together with unparalleled enthusiasm to make it a memorable affair. The highlight of the event was undoubtedly the performance by the gifted singer, Alif. His voice resonated through the venue, leaving the audience spellbound. Alif's rendition of songs, coupled with the student's participation, created a magical synergy that showcased the immense musical potential within the student community. It was a testament to the power of music in bringing people together and unearthing their latent talents. The event wasn't just about music; it was an opportunity for students to showcase their diverse skills and talents. As they shared the stage with Alif, hidden talents emerged from every corner of the crowd. Dance, poetry, and other artistic expressions found their way into the spotlight, making the evening an all-encompassing celebration of creativity. The atmosphere throughout the event was nothing short of mesmerizing. The synergy between the students and Alif, coupled with the electric energy of the audience, created an unforgettable ambience. It was a night where passions ran high, and artistic expressions knew no bounds. To keep everyone refreshed and energized, Coke cans were generously distributed. Students savoured the beverages, which added to the overall enjoyment of the event. The laughter, camaraderie, and shared moments over those cans of Coke added an extra layer of enjoyment to the entire experience. In conclusion, the Coke Studio Bharat event at the GN Group of Institutes in Greater Noida was a remarkable fusion of music, talent, and unity. It showcased the power of art to bring people together, unleash their hidden potential, and create unforgettable memories. It was a day that left an indelible mark on the hearts of all who attended.

# ENGINEER'S DAY CELEBRATION

September 15, 2023

On the occasion of Engineers Day Greater Noida Institute of Technology Came together to commemorate the birth anniversary of Sir Mokshagundam Vishweshvaraya, a revered Indian engineer and statesman, on Engineers' Day. This special day serves as a tribute to the remarkable achievements of engineers. To mark the occasion, we organized an engaging activity - a poster-making competition. Students teamed up in pairs to display their artistic interpretations of engineering concepts and themes. This event was a celebration of creativity and engineering excellence. Adding to the excitement, our esteemed Director, the Training Placement Head, the Heads of Departments, and faculty members actively participated in the event. Their presence lent immense significance to the day and encouraged students. In summary, the competition provided a dynamic platform for students to showcase their creativity, teamwork, and passion for engineering within our academic community. It was a day filled with both fun and learning, a true appreciation of the remarkable world of engineering.
